

# Unlock the Full Power of Workday

In today's changing world, it's easy for organizations to get caught in the acceleration gap—the place where your resources, skills and capabilities can't keep up with the accelerated pace of change.

## 3 key steps to close the acceleration gap with Workday

**1** Accelerate time to value

**2** Unlock the full power of your Workday investment

**3** Achieve greater independence as you grow

**Workday Success Plans can help you do just that.**

## What are Workday Success Plans?

Workday Success Plans are **subscription-based** plans that provide comprehensive **expertise, support, and education** at every step of your journey with Workday.

## Unlock the full power of Workday

With Workday Success Plans, you can:

- Deploy with confidence and drive value from day one
- Connect the dots between your business objectives and Workday capabilities
- Accelerate productivity and efficiency, elevate skill sets and inspire your team
- Keep pace with innovation
- Focus on the road ahead, knowing we have you covered with support

## We're with you every step of the way

With Workday Success Plans, we help you drive value from day one, and throughout every step of your journey with Workday. We're both your trusted strategic advisor and operational enabler at every turn.

### Drive value from day one.

Deploy with confidence and identify risk with a series of reviews and assessments designed to ensure your deployment leverages Workday's tried-and-true methodology.

Access one-to-one guidance through deployment and beyond on change management, testing, analytics, reporting and more.

### Connect the dots between your business objectives and Workday capabilities

Set yourself up for success with expert guidance that helps you connect the dots between your business objectives and Workday capabilities. Identify product feature adoption and optimization opportunities that align to your business objectives with detailed tenant assessments.

Build a strategic roadmap tailored to your goals, including a feature adoption strategy, governance, and support model. We work alongside you to adapt your plans as your business evolves.

Success Plans nailed what we needed to be more productive and use Workday to meet our goals.

### Keep pace with innovation

Get help understanding and prioritizing future releases and feature adoption. Receive advice on how to utilize Workday functionality to best manage change, reduce risk and plan for growth.

When we first deployed Workday, we started at a basic Pinto level and had a plan that would bring us up to a Cadillac, but Workday kept releasing more features. We needed help keeping up with the rate of innovation and using the Cadillac we had. That's why we subscribed to Workday Success Plans.
