

Certificate

Certificate number: 2020-021

Certified by EY CertifyPoint since: October 26, 2020

Based on certification examination in conformity with defined requirements in ISO/IEC 17021-1:2015 and ISO/IEC 27006:2015/A1:2020, the Privacy Information Security Management System as defined and implemented by

Workday, Inc.*

located in Pleasanton, California, United States of America is compliant with the requirements as stated in the standard:

ISO/IEC 27701:2019

Issue date of certificate: October 26, 2020

Re-issue date of certificate: July 8, 2022

Expiration date of certificate: October 25, 2023

EY CertifyPoint will, according to the certification agreement dated March 22, 2022, perform surveillance audits and acknowledge the certificate until the expiration date noted above or the expiration of the corresponding ISO/IEC 27001:2013 certification with certificate number 2019-040.

**The certification is applicable for the assets, services and locations as described in the scoping section at the back of this certificate, with regard to the specific requirements for information security as stated in the Statement of Applicability, version 2021,02, dated October 4, 2021.*
